

COFFEE BARS COMMITTEE REPORT
THE WOMEN'S BOARD OF THE JOHNS HOPKINS HOSPITAL
GENERAL BOARD MEETING
MARCH 23, 2020

Financial reports for the month of February show overall Coffee Bar income is comparable to last month's, as well as last year's, numbers.

As of Friday, March 20, the Bloomberg Coffee Bar was closed due to low numbers resulting from efforts to curb the spread of COVID-19 and employees working remotely. Weinberg and JHOC continue to operate and are following the guidelines set in place by Hopkins. Seating has been removed from the JHOC location and we will make changes accordingly as procedures are updated. Our Coffee Bars and staff provide an important service to employees and visitors and we will stay open as long as we can while complying with Governor Hogan's and Johns Hopkins Hospital directives.

Respectfully submitted,

Leslie Strunge
