

To the members of the Women's Board of Johns Hopkins; following is an update on the 2020 Golf Classic

We sincerely appreciate everyone's efforts. We have raised almost \$50,000 dollars to date and have approximately 50 committed golfers. We have many more that have said they would like to participate but have not sent their money in yet. For now we are pausing our solicitation of uncommitted sponsors.

Because of the impact of the Covid-19 virus, we postponed the golf Classic to October 26th, 2020. This was the only date available at Elkridge Country Club. We realize that this is not an ideal date because of the Best Dressed sale, but we did not want to give up the \$50,000 we have received and the hope of more donations come. We will all just have to brace ourselves for a very busy Fall.

The Golf Committee will regroup at a later date, and we will update you as soon as there is any new information.

Respectfully submitted
